

Sports

We inspire our girls to set their sights high and we provide the opportunities they need to reach their goals. Through the support and inspiration of our energized coaches, our girls have always excelled in sporting activities such as swimming and basketball, often flying our flag high all the way to the national competitions . Other sporting activities include; football, volleyball, lawn tennis, and hockey.

20 Junior Secondary **23**
coming soon
TWENTY TWENTY THREE

KISC Junior Secondary School offers the Competency-Based Curriculum for Grade 7, 8, & 9. Our teaching approach is to offer skill-based lessons that focus on holistic development. We are committed to prepare pupils for the ever changing world by enabling them to develop problem-solving skills. Our school will prepare students to choose their preferred pathway in preparation

for Senior High School by allowing them to explore their talents and focus on areas of interest. The school will be fully furnished with modern infrastructure and all required personnel. We shall be accepting applications from September 2022 and we will open our doors to the new students in January 2023.

Accepting Applications From September 2022

KITENGELA INTERNATIONAL SCHOOLS KISC INTERNATIONAL SCHOOL (British International Curriculum)

Congratulations to our 2021 Candidates on achieving excellent grades in the Pearson Edexcel Examination.

School Sections

The Junior School section comprises of the Early Years section (age 2-6) and Key stage 1 and 2. It is situated in its own compound within the British school which features: Well equipped playground and sports field, a lawn tennis court and swimming pool; the main focus being character and academic building through play key stage 2(year 3 to 6).We aim to develop independent learners who feel that they belong in every facet of the school.

Senior School(Year 7 to 11)-Key stage 3 to key stage 4

In the Senior school(Year 7-11), we focus on equipping learners with knowledge and life skills that will enable them to join world class universities. We have consistently featured in high achievers international awards since 2015 and outstanding Pearson Learner Awards since 2016.

The A level (Year 12 and 13) -Key stage 5

Our A level equips learners with the skills to secure a place in University and allows them to choose a pathway for their future career. In year 12, the students select a minimum of 4 subjects and can drop one as they proceed to year 13.

Examination Bodies

1. Pearson Edexcel
2. Cambridge International Examinations

Who we are

KISC International School is a co-educational international school offering academic programmes based on the British International Curriculum for children aged 2-18 years Incepted in 2013. It is located on lush grounds off Namanga road in the quiet serene enviroment of Kitengela within Kajiado County 36 KM from Nairobi. It has a warm, Friendly and caring atmosphere(dubbed the green school) which provides a conducive learning environment with high standards of discipline. Our aim is to allow all students to fulfill their academic potential, while at the same time developing social skills and graces to enable them face global challenges and be the leading light in the society. It prides itself in creating confident individuals, responsible citizens and learners enjoying succes.

Key Features in KISC International School.

Our assessments are internationally recognized. We observe the international Standards of teaching and learning. Our school is learner-centered, whereby we seek to inspire love for learning and and initiative in our students. This is achieved through an individualised setup with a healthy student-teacher ratio.

Exposure to the global community set up.

Here students gain confidence and insight to interact with people from different cultures. A global mindset is a trait highly sought afer by renowned institutions and organisations. We offer an effective co-curricular program that allows student to learn creatively and deveop unique imagination through activities like; debates, STEM, abacus, sports, dance and music. world scholars among others. When students engage in this activities, they not only gain confidence in their own talents but also exhibit less behavioral problems. KISC-BIC has a homely boarding environment with adequate modern facilities to comfortably accommodate all students.

KISC SCHOOL
Syokimau

Academics

At KISC School-Syokimau we offer the Kenyan National Curriculum (CBC/8-4-4) for pupils aged 3 -14 years. We pride in a culture of excellence in education which has seen the performance of our school scale up tremendously.
In 2019 our school managed to produce the Best student in Machakos county with eight students scoring over 400 Marks and an overall mean score of **384 points**.
In 2020, we achieved a mean score of **410.38 points** and all of our pupils transited to National Schools.

Talents Corner

Classroom teaching is not sufficient for the wholesome development of the learners, that's why we have designed interesting and amazing pool of extra-curricular activities for the learners in our school. Our sole aim is to bring out the best out of the learners and perfect their potential through vibrant talent nurturing clubs such as swimming, football, athletics, skating, music, taekwondo, dance, art & craft, drama, French, scouting, cookery, abacus, chess, scrabble and debate.

Music

"Music gives a soul to the universe, wings to the mind, flight to the imagination and life to everything."(Plato)
 As part of our learning process we ensure that the musical talent of our students are discovered and explored. Our music club is performing outstandingly well up to the national levels year after year.

Drama

We believe that the best way for young actors to grow is to perform. Drama helps to develop confidence, team building skills and lay foundation for a life-long enjoyment of the Arts. Our drama club has helped nurture noticeable talents that have staged sterling performances in various arenas.

Soccer

We give opportunities to our pupils to participate and compete internationally. Our soccer team has participated in the East Africa soccer games for two years in a row putting up such stunning performances.

Other Clubs

Other clubs such as swimming, cookery, chess and tae-kwondo also helps evoke the hidden talents in our learners. Our chess club produces winners at the National level competitions annually.

KISC SCHOOL
KITENGELA

Academics

KISC School- Kitengela aspires to be a leading light in academics. Going by our school motto "excellence in education", we are not only excelling in academics but also in co-curricular activities like symposium and debates. We participate in the National Spelling Bee and French digital writing competitions etc where our school performs exemplarily well emerging best in Kenya. These amazing achievements build confidence in our pupils and enable them to face the day to day challenges in the present dynamic world.
 Our school managed to produce the **2nd best and 4th** best pupil in the country in **2019** with forty students scoring over 400 marks and an overall mean score of **410.6 points**.
In 2020, 2 of our pupils were among the top **50 nationally** and 11 were among the top 100. The school maintained a mean score of **410 points**.

Swimming

Our school is fully registered with PIPSA (Private and Preparatory International schools Sports Association) for international sporting competitions. We have trainers who offer specialised / individualised training to the learners who take up swimming lessons.

KISC Soccer academy

We pride in our school being a center of excellence in various sporting activities. Our diligent boys and girls in soccer academy are a force to reckon with in East Africa Soccer tournaments. We efficiently nurture boys and girls from age 7 to 14 by tapping into their talents from a tender age.

Music and Drama festivals

We have fully embraced the competency based curriculum whereby we nurture various musical and drama talents by inspiring our learners to participate in various activities such as set pieces, singing, dances, choral verse, spoken word, poetry and acting. These activities provide a platform for our students to express their cultural diversity competitively.

KITENGELA INTERNATIONAL SCHOOLS
KISC GIRLS HIGH SCHOOL

Our motivation is to mentor the girl child in an effort to assure and secure her future through provision of holistic education. We believe that every child deserves the opportunity to make her own unique mark in the world. We aim to model girls who are astute members of society; socially responsible and pursue growth & excellence in all areas; the intellect, the physical, the social and the spiritual.

Academics

"It is not what one knows but what one does with what one knows that is significant."(Anon)
 At KISC we educate for sustainability by developing in our girls the ability and the desire;
 1.) To think critically, flexibly and creatively
 2.) To learn continuously
 3.) To Work hard
 To facilitate improved learning, classes are small and the teacher-pupil ratio is 1 : 10. Additional academics support is offered in study groups under the direction of a teacher.

Culture

Cultural extension is actively encouraged through the vibrant programmes offered in Music, Drama and Cultural events. With outstanding facilities supporting each activity, the girls get the opportunity to showcase their cultural diversity and learn to appreciate each other.
