KITENGELA INTERNATIONAL SCHOOLS

Excellence in education

KITENGELA INTERNATIONAL JUNIOR SECONDARY SCHOOL

ADMISSIONS

Our doors are open for enquiries and admissions at any of our branches. Please visit our main campus for a tour of the school and for firsthand; information on any queries you may have regarding our services. You may consider bringing the student with you for orientation.

WELCOME NOTE

We are pleased to introduce you to the newest member of the Kisc Brand- **KITENGELA INTERNATIONAL JUNIOR SECONDARY SCHOOL**. The school is modeled along the foundation of all our other schools - a strong Christian background, a creative teaching approach, state of the art value based services and above everything else, *excellence in education*

ABOUT US

We boast of five schools offering the 8-4-4, the CBC and the International British Curriculums. Kisc School Kitengela (8-4-4 and CBC), Kisc Girls High School (8-4-4), Kisc School Syokimau (8-4-4 and CBC), Kisc International School (IGSE), Kisc School Athi River (8-4-4 and CBC) have each distinguished themselves as bastions of education, churning out well-baked pupils and students to the next level of the academic ladder. Kisc leadership is under a versatile Board of Directors that is composed of outstanding professionals led by the founder and CEO QS. Paul Mwangangi. The board oversees the running of the schools and advises the senior management. Kisc is one of the few learning

institutions that boasts of a vibrant Quality Assurance and Standards department. The department ensures uniform curriculum implementation and sets the pace for quality service delivery. With the above structure of leadership and our strong record of being leading lights, Kisc Junior Secondary school already has a solid foundation of success to borrow from, as it establishes itself from the onset as a leader in its field.

PHILOSOPHY

Kitengela International Schools believe in producing a creative young generation that is inspired to face the world. We believe in being leading lights in whatever we do and hence our Motto; *Excellence in Education*

MISSION

Kitengela International Schools strives to provide first class international minded education in a joyful environment that empowers children to achieve academic excellence, high standards of integrity, leadership and responsible citizenship.

VISION

To help our students reach their full potential by equipping them with life skills required to make them successful anywhere within this increasingly competitive and changing world.

CURRICULUM

KISC is certified to offer the CBC curriculum for Grade 7, 8 & 9. We are a pioneer school seeking to advance the competency based curriculum. Academics is our core business, and we seek to creatively deliver lessons in a manner that will endear our students to their school and lead them to success.

CO-CURRICULAR ACTIVITIES

This is an area that is at the core of students' physical and mental development. Kisc Junior Secondary will offer a variety of sports options including swimming, soccer, basketball, athletics, scouting, music and drama to name just but a few. Considering that sports is currently a pathway in the CBC, the school has invested in high end sports facilities to ensure adequate exposure to many games to enable the students make informed choices leading to their future careers.

THE TEACHING STAFF

The school is led by a renowned, results oriented principal. The staff is composed of professional educators with the requisite experience and qualification to teach at this level. We have blended talents so that our students will be guided to reach their full potential by only experts. We have a vibrant Quality Assurance and Standards team which will ensure the highest standards are achieved across our schools.

WORLD CLASS FACILITIES

Kisc schools pride themselves in the availability of excellent facilities and Kisc Junior Secondary will be no exception. From spacious classrooms and a library fitted with modern learning equipment to well equipped laboratories, comfortably designed with unique furniture for ease of concentration while learning. Your child will be sure of the utmost environment to spur their growth. Uniquely distinguished for its innovative approach to learning, the Kisc brand will bequeath a history of technological and ICT approaches to its newest baby..... the Kisc Junior Secondary School. Students will immediately be exposed to ICT based research methods that will enhance their creativity and grasp of concepts.

KISC also has a vibrant counselling department with amiable counselors who help the students to settle in. Our modern kitchen provides well balanced meals. We also have entertainment and co-curricular activities to make Kisc Junior Secondary School home away from home.

BOARDING

The school will have two concepts of boarding. The first is the world renowned full boarding, with the second being the weekly boarding where the students will be in school throughout the week but be allowed home over the weekend to catch up with family. This concept is in recognition that most of the students will come in young and may need parental guidance to help them become independent. The boarding facilities are exquisitely prepared for the current generation. Well aerated cubicles to hold a small number of students, complete with built in storage facilities. The students will be under professional caregivers in housekeeping to enhance their comfort and free their time to concentrate on their studies. The team of caregivers is led by a professional matron who provides the necessary guidance. We also have a stay in school nurse who takes charge of the students' health matters.
